

This application applies only to the period(s) indicated below. Applications should be submitted to the Undergraduate Coordinator in your College of Engineering department. One-half of the scholarship will be distributed in the fall semester, and the other half in the spring semester. Eligibility requires maintenance of the student's status as a full-time undergraduate student (completion of 12 or more hours of major and/or approved minor coursework) in each of these semesters. Students who are undertaking a co-op or internship in either or both of these semesters may be allowed to defer the award. All or part of an award may be cancelled at any time if the recipient fails to meet academic or other requirements. Factors that the College Scholarship Committee will consider, unless award criteria for the scholarship indicates otherwise, are academic achievement and community involvement. Please attach a current resume. **Students should note that any awards received under this program may be deducted from certain federal grants obtained as financial aid, e.g. Pell grant...**

I hereby apply for a scholarship to assist in the payment of my educational expenses while a full-time UF student during the 2009-2010 academic year.
