Class Periods: Fridays 5th-6th periods (11:45am-1:40pm)

Location: WERT 255

Academic Term: Spring 2022

Instructor:

Dr. Pamela Dickrell, pld@ufl.edu

Phone: 352-392-4524

Office Hours: TBA

Peer Mentors: TBA

Course Description

(Credits: 1) An introductory course on makerspace hands-on skills for prototyping and invention. Exploration of makerspace safety, hand tools, common engineering fasteners, design notebooks, power tools, solid modeling, 3D printing, electrical soldering, wearable electronics, and other maker tools for engineering prototyping. Students will complete individual hands-on projects utilizing makerspace skills introduced. No prior knowledge or experience necessary.

Course Pre-Requisites / Co-Requisites None

COVID-19

- **You are expected to wear approved face coverings at all times during class and within buildings even if you are vaccinated.**
- If you are sick, stay home and self-quarantine. Please visit the UF Health Screen, Test & Protect website about next steps, retake the questionnaire and schedule your test for no sooner than 24 hours after your symptoms began. Please call your primary care provider if you are ill and need immediate care or the UF Student Health Care Center at 352-392-1161 (or email covid@shcc.ufl.edu) to be evaluated for testing and to receive further instructions about returning to campus.
- If you are withheld from campus by the Department of Health through Screen, Test & Protect, you are not permitted to use any on campus facilities. Students attempting to attend campus activities when withheld from campus will be referred to the Dean of Students Office.
- UF Health Screen, Test & Protect offers guidance when you are sick, have been exposed to someone who has tested positive or have tested positive yourself. Visit the [UF Health Screen, Test & Protect website \(Links to an external site.\)](#) for more information.
- Please continue to follow healthy habits, including best practices like frequent hand washing. Following these practices is our responsibility as Gators.

Course Goals

- Practice makerspace safety.
- Build confidence in use of common makerspace tools for engineering prototyping.
- Utilize the engineering design process to design and build items.
- Independently design and build an engineering prototype.

Materials and Supply Fees & Equipment Use Fees

none

Required Textbooks and Software (2 Items Required)

1) Safety Glasses & Closed-Toed Shoes: You MUST bring and wear your own eye protection at all times in the makerspace classroom! You MUST wear close-toed shoes at all times in makerspace classroom. Absences due to non-admittance for safety glasses/shoes are not excused absences. If you wear reading glasses, those are fine as eye protection as long as you leave them on at all times. Any other safety glasses with clear lenses are acceptable. The UF bookstore carries safety glasses, or you can get them at Lowes/HomeDepot, or online at Amazon. No particular brand is required.

2) Laptop You Bring to Class: Either a windows based PC or Mac laptop – any model, but not a tablet/ipad. Will need to bring laptop to class regularly to use with solid modeling software with any cables necessary to connect to a regular USB plug. Enough outlets are provided at each table for laptop charging for every student if needed.

Attendance Policy, Class Expectations, and Make-Up Policy

Attendance for class meetings is expected. A lot of the grade is based on showing up and doing the projects. Failure in regular attendance will result in deductions to participation portion of grade.

***** half letter grade deduction in your final grade will occur for each occurrence of missing more than one live class without a valid UF excuse*****

Contact your instructor if you have an excused absence to work out a plan to make up the work.

Excused absences must be consistent with university policies in the undergraduate catalog (<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>) and require appropriate documentation.

Evaluation of Grades

Homework: 30%

Mini-Projects: 30%

Attendance/Participation: 25%

Final Design Prototype: 15%

TOTAL: 100%

Late Assignment Policy:

Generally late assignments are not accepted for credit, assignments are due uploaded into Canvas by the due date/time posted (Do not leave uploads until the last minute, computer/internet issues are not a valid excuse for late assignments!) If an assignment is turned in anywhere from 1 minute late up to 3 days late a 10% deduction will be taken for being late before points are deducted for quality of work. Assignments over 3 days late are not accepted for credit (assignments automatically close

3 days after due date in Canvas, you will not be able to turn them in, assignments 1 minute late up to 3 days late are marked 'late' automatically in Canvas and the 10% rule applies).

Students Requiring Accommodations

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center by visiting <https://disability.ufl.edu/students/get-started/>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

Course Evaluation

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.aa.ufl.edu/students/>. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at <https://gatorevals.aa.ufl.edu/public-results/>.

In-Class Recording

Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor.

A “class lecture” is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course. A class lecture does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests,

exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session.

Publication without permission of the instructor is prohibited. To “publish” means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.

University Honesty Policy

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Conduct Code (<https://sccr.dso.ufl.edu/process/student-conduct-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. If you have any questions or concerns, please consult with the instructor or TAs in this class.

Commitment to a Safe and Inclusive Learning Environment

The Herbert Wertheim College of Engineering values broad diversity within our community and is committed to individual and group empowerment, inclusion, and the elimination of discrimination. It is expected that every person in this class will treat one another with dignity and respect regardless of gender, sexuality, disability, age, socioeconomic status, ethnicity, race, and culture.

If you feel like your performance in class is being impacted by discrimination or harassment of any kind, please contact your instructor or any of the following:

- Your academic advisor or Graduate Program Coordinator
- Jennifer Nappo, Director of Human Resources, 352-392-0904, jpennacc@ufl.edu
- Curtis Taylor, Associate Dean of Student Affairs, 352-392-2177, taylor@eng.ufl.edu
- Toshikazu Nishida, Associate Dean of Academic Affairs, 352-392-0943, nishida@eng.ufl.edu

Software Use

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

Student Privacy

There are federal laws protecting your privacy with regards to grades earned in courses and on individual assignments. For more information, please see: <https://registrar.ufl.edu/ferpa.html>

Campus Resources:

Health and Wellness

U Matter, We Care:

Your well-being is important to the University of Florida. The U Matter, We Care initiative is committed to creating a culture of care on our campus by encouraging members of our community to look out for one another and to reach out for help if a member of our community is in need. If you or a friend is in distress, please contact

umatter@ufl.edu so that the U Matter, We Care Team can reach out to the student in distress. A nighttime and weekend crisis counselor is available by phone at 352-392-1575. The U Matter, We Care Team can help connect students to the many other helping resources available including, but not limited to, Victim Advocates, Housing staff, and the Counseling and Wellness Center. Please remember that asking for help is a sign of strength. In case of emergency, call 9-1-1.

Counseling and Wellness Center: <https://counseling.ufl.edu>, and 392-1575; and the University Police Department: 392-1111 or 9-1-1 for emergencies.
