

EGSC GBM #3 Notes 11/19/19

- Junior Preview had really good feedback
 - Can we streamline how we get our mentors and volunteers (Jr. Preview, Spring Visit, etc...)
 - Usually done through the grad staff
- Very Apt (Apartment-matching Organization)
 - PDF Housing Guide that is College-specific
 - 5-min survey that is sent out to current students
 - Includes a link that can be forwarded to incoming students (specifically for international students)
 - Includes information on apartments outside of campus, pricing, feedback of the tenants
 - This company is paid for by realtors and apartment complexes
 - Would this product be beneficial for the College of Engineering?
 - ChemE has a list that includes current housing for grad students currently enrolled
 - Law School and Business School are using this service
 - Need feedback from them, pertaining increased pricing of apartments due to commission costs
 - Is there any bias on displaying specific high-revenue apartments?
- Webinar for Potential Master's Students (Q&A)
 - Details:
 - Wednesday, December 4th
 - From 2:30 p.m. – 4:30 p.m.
 - Weil 307
 - Need participation from EGSC members
