

Critical Skills Recruiting

Critical Skills Master's Program (CSMP)

Sandia's Critical Skills Recruiting Master's Program (CSMP) is a special, entry-level hiring program, which provides new or recent technical bachelor's degree candidates the opportunity to pursue a fully funded Masters of Science degree. The CSMP program is designed to attract talent pursuing key disciplines aligned with Sandia's national security mission, including Computer Science, Computer Engineering, Cybersecurity, Electrical Engineering, and Mechanical Engineering niche areas.

Successful applicants will become regular full-time Sandia employees and join multidisciplinary teams that are advancing the frontiers of science and technology to solve the world's greatest challenges.

Program Requirements

- Apply to a minimum of 3 nationally accredited Sandia approved universities and be accepted to at least 1 prior to beginning employment. Approved universities include Georgia Tech, Purdue, University of Illinois at Urbana-Champaign, University of Texas at Austin, University of New Mexico and other top campus recruiting schools selected by Sandia.
- Successfully complete the GRE as required by the universities of interest
- Complete a master's degree within:
 - Three semesters (five equivalent quarters, four trimesters) for a non-thesis option, or
 - Four semesters (six equivalent quarters, five trimesters) for a thesis option.
- Maintain the required GPA set forth by the school in the discipline area of study
- Spend at least two months working at Sandia prior to graduate school
- In addition, eligible CSMP participants must apply for a National GEM Consortium Fellowship and/or National Physical Sciences Consortium (NPSC) Fellowship
- Pursue a technical master's degree that fulfills Sandia's business needs
- Complete service requirement upon graduation at Sandia

Benefits

- Obtain a master's degree while remaining on-roll as a Sandia employee and receive a competitive annual salary (paid biweekly)
- An annual stipend and regular benefits (except vacation accrual) while attending graduate school
- Paid eligible tuition and related tuition associated costs
- Relocation benefits based on current Sandia policy
- Placement into a technical staff position upon graduation and successful completion of the program
