

Fall Semester Checklist

Download Fall Semester Checklist.

Confirm the location of your courses & attend every class.

Check your GatorLink email 2x a day.

Attend New Student Welcome & get involved in one engineering organization or design team.

Attend at least one Professional Development Workshop to learn about time management, study skills, engineering majors & more.

Attend Study Abroad Fair & talk to Ping Neo, College of Engineering Study Abroad Advisor.

Attend Career Showcase & talk to at least one employer.

Come & talk to your advisor if you are struggling with any of your courses or just to say hi.

Come by 270 WERT to talk to a peer advisor to get more information about being a Gator Engineer.

Meet with your advisor in Oct/Nov to discuss your spring schedule, your involvement, & first semester experiences.

Complete assignments on the First-Year Engineering Advising canvas course.

Have fun this fall & attend at least one non-engineering event. Go Gators!
