THE HERBERT WERTHEIM COLLEGE OF ENGINEERING

Is looking for talented and motivated students to serve as Engineering Peer Advisors who support the Engineering Center for Student Excellence. Ideal candidates will demonstrate a strong desire to help students create the best possible undergraduate experience.

DUTIES AND RESPONSIBILITIES

• Educate students on engineering majors, research, internships, and extracurricular opportunities
• Provide tips on effective time management, studying, and exam preparation
• Assist first-year engineering students to create a Four Year Plan to graduation
• Host academic success and professional development workshops
• Welcome prospective students and their families by hosting college information sessions
• Serve at least 4 hours per week

QUALIFICATIONS

• Must commit to at least two semesters of service
• Maintain a minimum 2.5 GPA
• Have a clear judicial history
• Excellent communication skills
• Capacity for discretion, diplomacy, understanding, patience, and confidentiality
• Demonstrated record of maturity and academic excellence
• Deep knowledge of the University of Florida including support resources and campus involvement

APPLICATION

E-mail the following application materials to Engineering Peer Advisor Coordinators, Sterling Davenport and Michael Todd, at swdavenport@ufl.edu and mtodd17@ufl.edu

A completed application includes the following materials:
• Peer Advisor application
• Responses to application questions
• Resume
• Photo in professional attire
  ○ If you do not have a headshot, you may have one taken for free at the Molm Family Gator Career Closet - career.ufl.edu

QUESTIONS? E-mail Engineering Peer Advisor Coordinators Sterling Davenport and Michael Todd at swdavenport@ufl.edu or mtodd17@ufl.edu
