**\*\*\*\*\*IMPORTANT INFORMATION – PLEASE READ CAREFULLY\*\*\*\*\***

- You must complete all pieces of this two-page petition. Incomplete petitions will not be reviewed.
- Petition decisions will only be disclosed through GatorLink email or in person, never via telephone. Denied petitions may be appealed only with the addition of new information/documentation.
- Late petitions will still be reviewed; however, pre-registration for fall ends in April and most sections close soon thereafter. We cannot override students into closed courses.
- This petition may only be used to request courses that are taught through the Herbert Wertheim College of Engineering. Math, physics, chemistry, statistics, and writing courses, as an example, are not engineering-owned; they are controlled by the College of Liberal Arts & Science and thus require a CLAS petition:

**I am petitioning because (select all that apply):**

- I need to take tracking/major courses this fall to get back on track and/or help me graduate on time.
- I am completing a second minor and taking classes in fall will help me graduate on time.
- I am taking a foreign language sequence and taking classes in fall will help me graduate on time.
- I am pre-health and taking classes in fall will help me fit in extra courses and still graduate on time.
- I want to take an elective that is only offered in the fall.
- I am unable to take classes in the spring or summer of this year (please select the correct choice).
- Other; please explain your statement.

I hereby request to take the following courses on campus this Fall:

<u>Course Prefix/Number</u>	<u>Class # (1<sup>st</sup> choice)</u>	<u>Class # (2<sup>nd</sup> choice)</u>	<u>Class # (3<sup>rd</sup> choice)</u>
