

AT A GLANCE

CAMMY R. ABERNATHY, PH.D.
DEAN, HERBERT WERTHEIM
COLLEGE OF ENGINEERING

The University of Florida's Herbert Wertheim College of Engineering houses one of the largest and most dynamic engineering programs in the nation. The curriculum, offered across 10 departments, 15 degree programs, and more than 20 centers and institutes, produces leaders and problem-solvers who take a multidisciplinary approach to reach innovative, human-centered solutions.

Gator Engineering: New Engineers transforming the way we live, work and play.
