COLLEGE OF ENGINEERING

The University of Florida's Herbert Wertheim College of Engineering is one of the largest and most dynamic engineering programs in the nation. Offering a curriculum that spans 10 departments and schools, 15 degree programs and more than 20 centers and institutes, the college produces leaders and problem-solvers who take a multidisciplinary approach toward innovative, human-centered solutions. It is also the cornerstone of UF's most ambitious 21st century research, education and economic development vision – the AI University Initiative.
